Question/Answer:

Question 1: Would the County make an exception to Section 1.14 to allow for a Board Member (or vendor's staff) to have a background check in lieu of "all employees, subcontractors, and representatives?" Parents take turns at the concession stand and it would be impossible financially to get a background check on every parent.

Answer 1: Given the sensitivity of matters relating to crimes against youth, the County is committed to maximizing the safety of youth/minors who visit its parks and fields. We therefore cannot make an exception to the contract requirement designed to achieve these goals. The people working at the concession stand will be interacting with youth/minors, therefore we need background checks on those workers, regardless of their status as volunteers, board members, or parents.
